A new on-the-GO workflow

If it's on your phone,  
you're set.

All meetings with one number

zoom

# How does it work:

1. Dial go@joingw.com\* or **your** company's fixed number: join.ACME@joingw.com \*\*

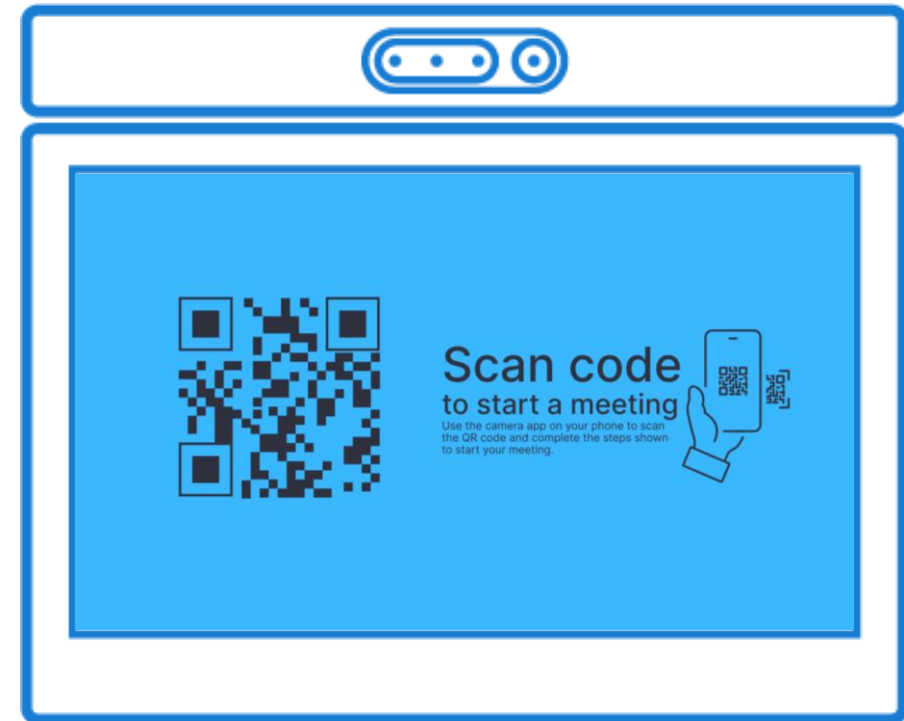

\* go@joingw.com will work for all meetings  
\*\* join.acme@joingw.com needs to be customized for your organization first

# How does it work:

1. Dial go@joiningw.com or **your** company's fixed number: join.ACME@joiningw.com \*
2. Scan the dynamic QR code

# How does it work:

1. Dial go@joingw.com or **your** company's fixed number: join.ACME@joingw.com \*
2. Scan the dynamic QR code
